PROFESSIONAL SUMMARY

NLP and LLM engineer building retrieval-augmented generation systems, semantic search and conversational assistants.

SKILLS

Core: PyTorch, Hugging Face, Retrieval-Augmented Generation, LangChain
Tools & Platforms: Python, Fine-tuning, Large Language Models, Git
Also familiar with: Prompt Engineering, NLP, vector DBs, Pinecone

WORK EXPERIENCE

Senior LLM Engineer | Greenfield Energy Tech | Jul 2022 – Present

- Served embedding and generation APIs with FastAPI and Docker, handling 76k requests per day.
- Applied Fine-tuning (LoRA) of open-source Large Language Models, reducing inference cost by 32% versus hosted APIs.
- Built a Retrieval-Augmented Generation assistant using LangChain, Pinecone and Large Language Models that answers questions over 52k internal documents with 47% answer accuracy.

Tech: Python, Large Language Models, Retrieval-Augmented Generation, Amazon Web Services, LangChain

Senior LLM Engineer | Vertex Fintech | May 2020 – Jun 2022

- Built a Retrieval-Augmented Generation assistant using LangChain, Pinecone and Large Language Models that answers questions over 64k internal documents with 12% answer accuracy.
- Designed chunking and embedding strategies for a semantic search platform backed by vector DBs, improving recall@10 by 18%.

Tech: Python, Large Language Models, RAG, Prompt Engineering, Pinecone

NLP Engineer | Atlas Logistics | May 2019 – Apr 2020

- Fine-tuned transformer models with Hugging Face and PyTorch for NLP classification and entity extraction.
- Developed text-classification pipelines in Python using ML and NLP techniques.
- Applied Fine-tuning (LoRA) of open-source Large Language Models, reducing inference cost by 34% versus hosted APIs.

Tech: Python, Large Language Models, Retrieval-Augmented Generation, FastAPI, Docker

KEY PROJECTS

- Resume parser using NLP and Hugging Face named-entity models.

EDUCATION

- BS in Artificial Intelligence — University of Waterloo (2014 – 2018)

LICENSES & CERTIFICATIONS

- DeepLearning.AI NLP Specialization
- AWS Certified Cloud Practitioner
